## 1 Declaration of tax-relevant details

By way of the signing of this form, the entity/account holder confirms that the country of domicile stated above is the country of residence for tax purposes of the abovementioned natural person insofar as no deviating country of residence for tax purposes was stated under 1.1 Country of residence for tax purposes.

*The following sections (numbers 1.1 to 1.3) must only be completed if the country of residence indicated above does not correspond to the country of residence for tax purposes of the abovementioned natural person or if indication of the tax residence and tax identification number (TIN) is required in connection with the national implementation law for the automatic exchange of information on the basis of the international OECD common reporting standard (CRS). This will be the case if the entity qualifies either as a passive non-financial entity ("passive NFE"), or as an investment entity in a non-participating jurisdiction whose controlling person(s) is/are resident in a reportable jurisdiction, for the purpose of the common reporting standard for the automatic exchange of information. The determination as to whether, for the purpose of the automatic exchange of information, the entity concerned is a passive NFE or an investment entity, is to be made by the entity/account holder via the separate form "Classification of an entity in connection with the application of the automatic exchange of information in tax matters".*

### 1.1 Country of residence for tax purposes

Should the country of domicile stated above of the abovementioned natural person *deviate* from their tax residence, the entity/account holder has to indicate their country of residence for tax purposes as follows:
